Walkability in our cities

Bronwen Thornton Development Director
Walkability in our cities
Walk21

• International Charter for Walking
• International Standard for Measuring Walking
• Making Walking Count Project
• Global Walking Network
• XVIII International Walk21 Conference on Walking and Liveable Communities

Calgary Canada 20-22 Sep 2016

www.walk21.com
Walking

not just a transport mode, a mode of living
Evidence from International Study Highlights Need for More Walkable Neighborhoods

but this is not a walkable city
a new approach
building in: connectivity, permeability, safety
Walking needs data
but it matters how you measure it
City Initiatives

- Sign the International Charter for Walking
- Prepare a City Walking Plan
Thank you!
